Re: Petition to Establish Generic Docket to Consider Amendments to  
Interconnection Agreements Resulting From Changes of Law  
Docket No. 2004-316-C

Dear Mr. Terreni:

I am writing to inform the Commission that earlier today, the United States District Court for the Northern District of Georgia granted BellSouth Telecommunications, Inc.'s ("BellSouth") motion for a preliminary injunction against enforcement of the Georgia Public Service Commission's Order addressing the new adds provisions of the FCC's *Triennial Review Remand Order (TRRO)*. The Court found that there is a substantial likelihood that BellSouth will prevail on the merits of the matter, and it found that absent a preliminary injunction, BellSouth would suffer irreparable harm. This ruling enjoins the Georgia Commission's Order that allowed CLECs to continue ordering local circuit switching as an unbundled network element after the effective date of the *TRRO*.

This ruling has not yet been reduced to writing. When it is, BellSouth will file a copy with the Commission.

I am serving a copy of this letter on all parties of record.

Sincerely,

  
Patrick W. Turner
